

**Office of the Deputy CMO, Public Health, Rourkela Steel Plant**

**To whomsoever it may concern**

**Sanitation certificate**

Sanitation of DAV Public School- Sec 16 does not come under the purview of Rourkela Steel Plant. Sanitation is the responsibility of the school administration and is maintained by them.

On request I have inspected and found sanitation in the school satisfactory.

STEEL AUTHORITY OF INDIA LIMITED  
ROURKELA STEEL PLANT  
ROURKELA  
OFFICE OF THE GM (TOWN ENGINEERING – WATER SUPPLY)

TO WHOMSOEVER IT CONCERN:

This is to certify that entire Rourkela Steel Plant Township is getting drinking water supply from the drinking water distribution network of Town Engineering – Water Supply. D.A.V Public School, functioning in Sector-16, RSP Industrial Township, Rourkela-03, is also getting drinking water from the same source. Drinking water supplied by TE-Water Supply is hygiene & safe for human consumption. Drinking water parameters are maintained as per IS: 10500, 2012.
